## BELVOIR - NATURALLY LOVELY DRINKS

The team at Belvoir have been making Pressés at The Belvoir Estate in the idyllic, Lincolnshire countryside since the 1980's by infusing, pressing and cooking fresh flowers, fruits & spices blended with local spring water to create their uniquely refreshing drinks.

### *Did you know?*

Despite its spelling, Belvoir is correctly pronounced "*beever*".

It's all to do with French takeover of Britain after the 1066 invasion. When William the Conqueror's standard-bearer built a fortress on their estate he named it "*Bel voir*"; French for "*beautiful view*".

No-one's sure whether the decision to pronounce Belvoir as "*beever*" was to insult the occupying French or if it was simply because the Anglo-Saxons were unable to master the language.

The guys at Belvoir don't really mind how you decide to say it, as long as you enjoy their delicious drinks.
